**Spotlight on Nursing  
Graduate Student Scholarship Opportunity!**

To: Graduate Nursing Students interested in faculty roles  
From: Spotlight on Nursing Board of Directors  
Re: Graduate Student Scholarship Opportunity!

The Spotlight on Nursing board of directors is pleased to announce a new opportunity for graduate nursing student scholarships.

Spotlight on Nursing is a not for profit 501c3 organization that was founded in 2002 to heighten community awareness of the nursing profession and support the education of nurses. Spotlight on Nursing hosts an annual "Run/Walk For Tomorrow's Nurses" to benefit nursing scholarships and nursing initiatives in Indiana.

Since its inception, Spotlight on Nursing has worked concertedly with Nursing 2000, Inc., to support both undergraduate and graduate nursing scholarships. Recently, the board of directors elected to further increase its focus on graduate students by offering scholarships with the expressed purpose of increasing the number of nursing faculty. As student nurse enrollments are directly impacted by the number of nurse faculty, the Spotlight on Nursing Graduate Scholarships will be awarded to graduate students with a commitment to teach in Indiana. Each annual award cycle will offer four (4) \$5,000 scholarships.

The application form and criteria are attached to this memo.
